SUMMARY

- First-year Mechanical Engineering student at the University of Colorado Boulder with hands-on experience in CAD design and mechanical assembly. Interested in engineering project management, dynamic systems, quality engineering, and robotics.

EDUCATION

University of Colorado Boulder **May 2028**

Bachelor of Science in Mechanical Engineering

- GPA: 3.761
- Relevant coursework in Statics, Thermodynamics, Materials science, and Computational Methods

ENGINEERING EXPERIENCE

Assistant Project Manager, Ride Engineering Competition **Oct 2025 - April 2026**

- Worked with an interdisciplinary team to design and manufacture a small-scale themed attraction for the Ride Engineering Competition and recieved 2nd Place in our division
- Helped with coordination between 5-10 person sub-teams for mechanical, electrical, and theming
- Documented design reviews and contributed to deliverables submitted for competition judging, including ASTM F2291 compliance documentation

Pencil Sharpener CAD Project **Aug 2025 - Dec 2025**

- Reverse-engineered a mechanical hand-crank pencil sharpener
- Performed measurements of a physical product to create a SolidWorks assembly with gear mates and irregular geometry
- Developed a full CAD package consisting of 4 subassemblies, approximately 15 parts, and fully dimensioned engineering drawings

ADDITIONAL WORK EXPERIENCE

Team Member/Baker, Panera Bread **Mar 2024 - Aug 2025**

- Managed daily bake schedules of ~200 pastries
- Trained new employees
- Developed teamwork, reliability, and time management in fast-paced service environments
- Strengthened communication skills through collaboration and customer interaction

SKILLS

- SolidWorks - 50 Hours, CSWA Certification
- Python - 40 Hours
- C Programming - 30 Hours
- Prototyping Tools, including 3D printers, laser cutters, calipers, Arduino - 40 Hours
- Project management, documentation
- PowerPoint, Excel, Word
- Google software suite

INTERESTS AND INVOLVEMENT

- Engineering of complex mechanical systems and large-scale attractions
- ASTM F24 Committee 2026 Attendee
- Theme Park Engineering and Design Club - Treasurer
- American Society for Mechanical Engineering - Officer
- American Society for Engineering Management
